Official Diary

Wednesday, 26 September 1951

- 25X1                      Talked to [redacted] about couriers, the SO daily pouches  
25X1 and the [redacted]
- 25X1                      Talked to Mr [redacted] about projects.
- 25X1                      G-3 called to say that there would be a meeting tomorrow morning at 10 o'clock to discuss the [redacted] problem. Have asked [redacted] to advise O/PC and O/SO that we should be represented.                      25X1
- 25X1                      Talked to [redacted] about General Partridge's request that we send someone to sit on an ad hoc committee to draw up an estimate on Soviet and Satellite Capabilities for the Standing Group, NATO. This would appear to be entirely outside of the normal mechanism and I believe CIA should be present only in the role of observer. Mr. [redacted] will clear this with Dr. Langer.
- 25X1                      Told Commo that they could go ahead with [redacted] as it had been passed by the PRC. It has not been signed by the DCI but I obtained Mr. Wolf's o.k.                      25X1
- 25X1                      Talked to Mr. Pforzheimer about whom we should deal with in Justice now that Peyton Ford has retired.
- [redacted]
- [redacted]                      25X6
